

Socialist Orator Forced to Admit She Had Never Read Land Bill

(Special to The Appeal.)
TONOPAH, Oct. 19.—The party of Democratic candidates, made up of Senator Pittman, E. E. Caine, nominee for congress; Judge Sanders and William Kennett, left Goldfield late yesterday afternoon, where they had received a warm welcome, for Millers, where they later had a rousing meeting.

At Millers they had to wait to secure possession of the hall until Miss Caroline Lowe, who was making a talk for the Socialists, got through with her address. In the course of her remarks Miss Lowe bitterly attacked Senator Pittman and the land bill.

Senator Pittman, in opening his address, reviewed his labor record and showed that he had been the

consistent and practical friend of labor for years; then he began the discussion of the land bill and compelled Miss Lowe to admit that she had never read the bill. The senator then continued his speech on national issues and held the attention of his audience for over an hour.

Mr. Caine, in his address, made the plea that the Democratic party had given relief through legislation that was substantial and enduring and had given practical attention and relief to the problems of today and was therefore entitled to support. He stated also that the president must be supported by the election of a Democratic congress.

The meeting was largely attended and the interest manifested was intense.

Republicans Have Big Slush Fund

Fifty thousand dollars have been turned over to the Republican party of the state of Nevada by the national Republican committee. At least this is the story that is going the rounds of hotel corridors and lobbies. The report seems to bear every mark of authenticity and there is undoubtedly much truth in the yarn, says the Sparke Tribune.

Fifty thousand dollars does not seem much, but it is \$5 for every vote that is cast in the state of Nevada. It is a half a dollar for every man, woman and child within the state. It is a large sum to do politics with and will make quite a ripple when thrown into the stream.

It would seem that the sum was too large if it were not for the signs of Republican profligacy on all sides. —Humboldt Star.

Tonopah Miners Request Increase

At Tonopah last Sunday two meetings of the mine and mill workers of the district were held. Eighty-seven enrolled themselves at the afternoon meeting and 160 at the one held in the evening.

A communication was read from the Tonopah Mine Operators' association in answer to the request of the mine and mill workers for an increase of 50 cents per day wages.

The first of the reply was that inasmuch as wages were not reduced when silver was at its low ebb, there was no reason for raising them at this time.

The communication was tabled until the organization of the Mine Workers' union can be perfected, which will probably be accomplished at a meeting to be held tomorrow evening.

Feeding Stock

According to the Review Miner 111 carloads of cattle were unloaded during the past ten days at Lovelock, to be fed and fattened in that valley.

OUTSIDE REGISTRATION

At Lovelock 825 have so far registered and of that number 233 are women.

At Elko 1,150 have registered, 350 being women.

At Tonopah 2,080 voters have registered, 560 being women.
